

Junior High Ministry

A key in working with young adolescents is variety - creating variety in programming, scheduling, content, formats, settings and leaders. It is our hope that with the wide variety of education and formation opportunities offered, all youth will find participation accessible and convenient as well as an invaluable experience in which to develop into mature Catholic Christians.

*What do we teach our children?
We should say to each of them:
do you know who you are?
You are a marvel. You are unique.
You may become a Shakespeare,
a Michaelangelo, a Beethoven.
You have the capacity for anything.*

(Pablo Casals)
