

# Blessed Trinity Catholic Church Stewardship

Parish ministries/volunteer services are listed alphabetically on the back of this page. Please refer to this list and prayerfully consider signing up for those that interest you. A master booklet containing descriptions and more information about each ministry is located on the shelves in the church gathering area for your referral.

This form can accommodate information for up to four family members. Please write the numbers of the ministries/volunteer services you are willing to carry out for your parish on the line below your name. Please also indicate your email address and Mass preference (if serving in a Liturgical ministry). Thank you!
